Ok, since both you and Kevin are unavailable I am trying to see if we could do it the morning of 9/24 or 9/25. Everyone looked fairly open those days. I'll let you know as soon as it is confirmed.

Hi Beth, Sorry I will be on travel that day (28th-30th) to FMC actually for my initial visit, just in info gathering and learning mode.

Sorry - I'm on inspection travel the 28th-30th.

Andy is tinkering with some comments from the RCRA compliance perspective: perhaps some of those could be asked during the webinar, assuming it's just EPA and Argonne attendees?

Hi, Andy, Heather, and Kevin. HQ is arranging a webinar for R10 to hear Argonne's presentation on the FMC Independent Review. Would you all be available from 9:30 – 12 noon on Monday, Sept 28th?

Beth and Jonathan,

As discussed, Argonne would be able to provide other EPA personnel a repeat of their presentation of draft findings on 9/28. I checked your calendars and other than Beth from 9:30-10a PT you both appear available during the proposed time. Can you verify your availability so that we can confirm the day/time with Argonne as well as provide the Tribes' reps the opportunity to participate? I'd like to send out notifications later today, so please advise ASAP. I will send you two the calendar invitation, and you can forward to others in R10 as you see fit. If you have any questions, please give me a call.

Many thanks,

Greg
